4. Once you select a time slot, you will be prompted to log-in to your Amilia account. If you are a new user, **PLEASE** select **Sign-up** rather than continuing with Google

A number of people have reported that continuing with Google has led to an **error message**. Don't say we didn't warn ya!

The screenshot shows the Amilia login interface. At the top, it says "Log in". Below that is the Amilia logo. There are input fields for "Email" and "Password", with a "Forgot password?" link next to the password field. A blue "Log in" button is positioned below the password field. Underneath, it says "or continue with" followed by three social media options: Google, Facebook, and Microsoft. A red "X" is drawn over the Google option. At the bottom, there is a link that says "Don't have an account? Sign up", which is circled in orange and has a green checkmark next to it. An orange arrow points from the text on the left to the "Sign up" link.

5. After successfully creating an account and selecting your time slot, you will be met with a booking confirmation page.

This year, drop-ins who are not accompanied by a Small Boat Member can take out crafts as long as they complete a mandatory on-site orientation with SPC Staff.

All users must answer this question carefully, as it pertains to your ability to independently access our boats.

Due to system limitations all bookings are auto-accepted based on availability of boats, however for off hours do not come to the site unless you have a confirmation from our staff as they will need to orient you and provide you access. If you are a club member who has completed the OC competency test then you may book a craft at any time, but will require a bluetooth key sent by our staff (allow for at least 12 hours for our staff to generate the code). Off hours are before 5pm on weekdays and after noon on Saturdays and Sundays. If attending with a member of our boat share program then there are no time restrictions.

- I am a Small Boat Membership holder - I have independent bluetooth access
- I am not a Small Boat Membership holder - I will REQUIRE bluetooth access (will allow for 12 hours for staff to send out key)
- I am not a Small Boat Membership holder - I will be attending with a Small Boat Membership Holder

Please read and accept our Recreational Craft and Outrigger Canoe terms and conditions below
